

Basketball tournament named for Micah Lindstrom

Clyde Junior High School will host the Micah Lindstrom Memorial Basketball Tournament on Saturday, November 22, 2003. This tournament dedicated to Micah Tate Lindstrom, whom we lost on June 14, 2003 in a swimming accident. Micah was very loyal and dedicated to his position as a Junior High Coach and Math teacher. He has touched the lives of so many students in our community.

Because of Micah's love to teach students the game of basketball Clyde Junior High School felt it was extremely appropriate to continue the influence he had on so many young students and athletes.

The tournament will begin at 9:00 a.m. in both Junior High Gyms and continue until about 5:30 p.m.
